On behalf of the Football Association of Ireland, I would like to take this opportunity to welcome you all to the FAI Women's Amateur Cup Final 2024 here at the UCD Bowl in Belfield.

This is a tremendous opportunity for the footballers of the Whitehall Rangers AFC and Terenure Rangers FC to appear in a national final. Congratulations to both clubs on their achievement in reaching this stage.

These players are amongst the most talented in the country at their age, and I have no doubt many of them will continue to play the game at a very high level and have excellent careers in football.

Their presence here today confirms that both club teams have had a really good season and it is a testament to the standard of football from all the players involved that they have both reached the final of this competition.

Well done to both the coaching teams on developing two talented squads who have represented their clubs with distinction this season.

Many thanks to our hosts at UCD today, and to all the volunteers and the match officials this afternoon.

Best wishes to the competing teams today and a big thank you to the families and supporters for their ongoing commitment. I trust you will all enjoy the experience and here's hoping for a great game.

Beir bua agus beannacht le gach duine!

Paul Cooke
President
Football Association of Ireland
